Re: United States Patent Application No. 10/645,418

Dear Ms. Rawls:

Thank you for the information that you provided to Kim Canchola of our office, regarding the above-referenced Patent Application.

As was discussed, the file has now been transferred to our office for handling and I am attaching a signed Revocation of Power of Attorney and new Power of Attorney form for this case. It was also indicated that the correspondence address was incorrectly entered as the United States Patent and Trademark's own mailing address. As a result of this error, and upon entering the correct information acknowledging that this office is now attorney of record for the file, it was indicated that a new "Notice" with an new due date would be sent regarding this file, as it was never received by either this office nor the previously-assigned attorney.

In the event that this information is not correct, please contact the undersigned at (312) 984-0144. Thank you for your assistance with this matter.

Very truly yours,

**Cook, Alex, McFarron, Manzo,
Cummings & Mehler, Ltd.**
